

THE ENCOURAGER

Good News from HOPE CHAPEL Hawthorne
Palm Sunday, March 25, 2018

Welcome! Today we acknowledge the time when JESUS was pronounced as King! As He rode into Jerusalem, people "welcomed" Him into their midst as the One whom the Scriptures spoke of. Have you welcomed Him into your life? All the church, religion, and good deeds will NOT be sufficient on the day you see Him face to face. It's a relationship that **MUST** start here on earth... Blessings as you either receive Him or draw closer to Him **TODAY!**
